

APENDICE LETRA B
No. 3093 Vol 16 Hora ...

7. COVENANT FOR ASSESSMENTS

Creation of Lien and Personal Obligation. Each owner (other than Declarant) of any lot, by acceptance of a deed or other conveyance creating in such owner the interest required to be deemed an owner, whether at not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association: annual assessments, supplemental assessments, and special assessments, such assessments and other fees to be fixed, established and collected from time to time as provided in this Declaration. Such assessments and fees, together with interest thereon, late charges, attorneys' fees and court costs, and other costs of collection thereof, as hereinafter provided, shall be a continuing lien upon the lot against which each such assessment is made. Each such assessment, together with such interest, late charges, costs and attorneys' fees shall also be the personal obligation of the owner of such lot at the time when the assessment becomes due.

7.2 Purpose of Assessments. The assessments levied by the Association shall be used exclusively for (a) payment of expenses in connection with the upkeep, maintenance and improvement of the Common Area and such portion of the lots and such improvements located thereon as the Association is obligated to maintain under the provisions of the Declaration, (b) promotion of the recreation, health, safety and welfare of the owners and residents of lots within the Real Property.

7.3 Maximum Annual Assessments.

- (a) Until January 1 of the year immediately following the conveyance of the first lot by Declarant, the maximum annual assessment shall be established as follows:
- (i) For vacant lots, \$220.00 per year payable at \$55.00 per quarter, or in full prior to January 31st of each year.
- (ii) For improved lots (home construction complete), \$550.00 per year payable at \$137.50 per quarter, or in full prior to January 31st of each year.
- (c) After January 1st of the year immediately following the conveyance to a purchaser of the first lot by Declarant, the maximum annual assessment may be increased by an amount greater than the maximum increase allowed pursuant to Section 7.3 (b) above only with the approval of members representing at least two-thirds (2/3) of the votes entitled to be cast by members who are voting in person or by proxy at a meeting duly called for such purposes.
- (d) The Board may fix the annual assessment at any amount not in excess of the maximum annual assessment.

7.4 Supplemental Assessments. In the event the Board shall determine that its funds budgeted or available in any fiscal year are or will become inadequate to meet all expenses of the Association, for any reason, including, without limitation, nonpayment of assessments by the members, it shall determine the approximate amount of such inadequacies for such fiscal year and prepare a supplemental budget and may levy a supplemental assessment against each lot in such amount as the Board deems necessary in order to obtain the amount of such inadequacies. Notice of any such supplemental assessment shall be given to each owner. The supplemental assessment shall be paid on such dates and in such installments as may be determined by the Board. No supplemental assessment shall be levied by the Board until such assessment has been approved by members entitled to cast at least two-thirds (2/3) of the votes entitled to be cast by members who are voting in person or by proxy at a meeting duly called for such purpose.

7.5 Special Assessments. In addition to the annual and supplemental assessments, the Association may levy, in any assessment year, a special assessment applicable only to that fiscal year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement of the Common Area, including fixtures and personal property related thereto, or for any other lawful Association purpose, provided that, unless otherwise provided herein, any such assessment shall have the consent of members having at least two-thirds (2/3) of the votes entitled to be cast by members who are voting in person or by proxy at a meeting duly called for such purpose.

7.6 Notice and Quorum for Any Action on Assessments. Written notice of any meeting called for the purpose of taking any action authorized under Sections 7.3, 7.4 or 7.5 shall be sent to all members not less than thirty (30) days or more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of members shall constitute a quorum. If the required quorum is not present, another meeting may be called.

(OTEJADO)

APENDICE LETRA L
No. 30293 Vol. 715 Hoja 1

subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum, at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Uniform Rate of Assessment. Annual, supplemental and special assessments must be fixed at a uniform rate for all lots.

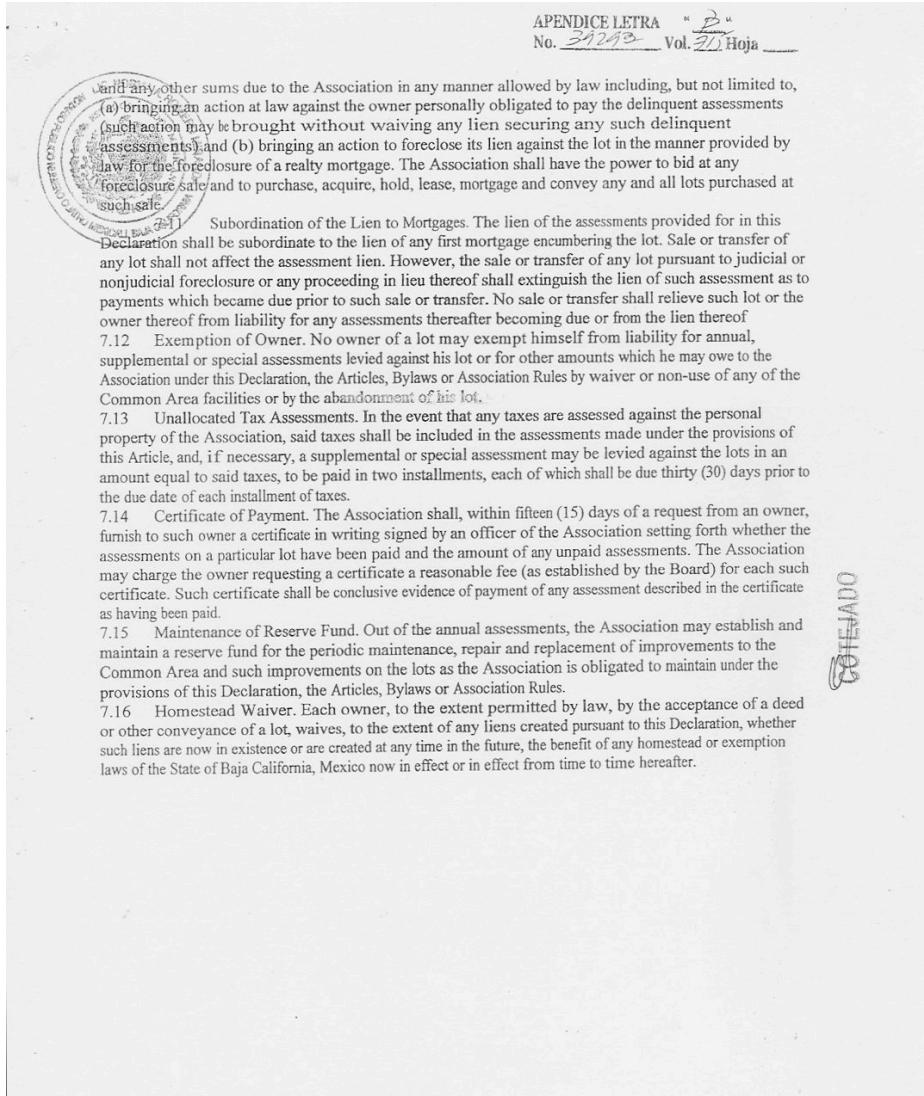

7.8 Date of Commencement of Assessments: Due Dates. The annual assessments provided for herein shall commence as to each lot on the first day of the month following the conveyance of the first lot to a purchaser. The first annual assessment shall be adjusted according to the number of months remaining in the fiscal year of the Association. The Board shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of the fiscal year, and the annual assessment for the current fiscal year shall remain in effect until the thirtieth day after the Board fixes the annual assessment for the upcoming fiscal year. Written notice of the annual assessment shall be sent to every owner subject thereto prior to the commencement of the fiscal year; provided, however, that failure to give such notice shall not affect the validity or enforceability of the assessments as fixed by the Board. The Board may require that the annual, supplemental or special assessments be paid in installments. Unless otherwise specified by the Board, special and supplemental assessments shall be due thirty (30) days after they are levied by the Association and notice of the assessment is sent to each owner.

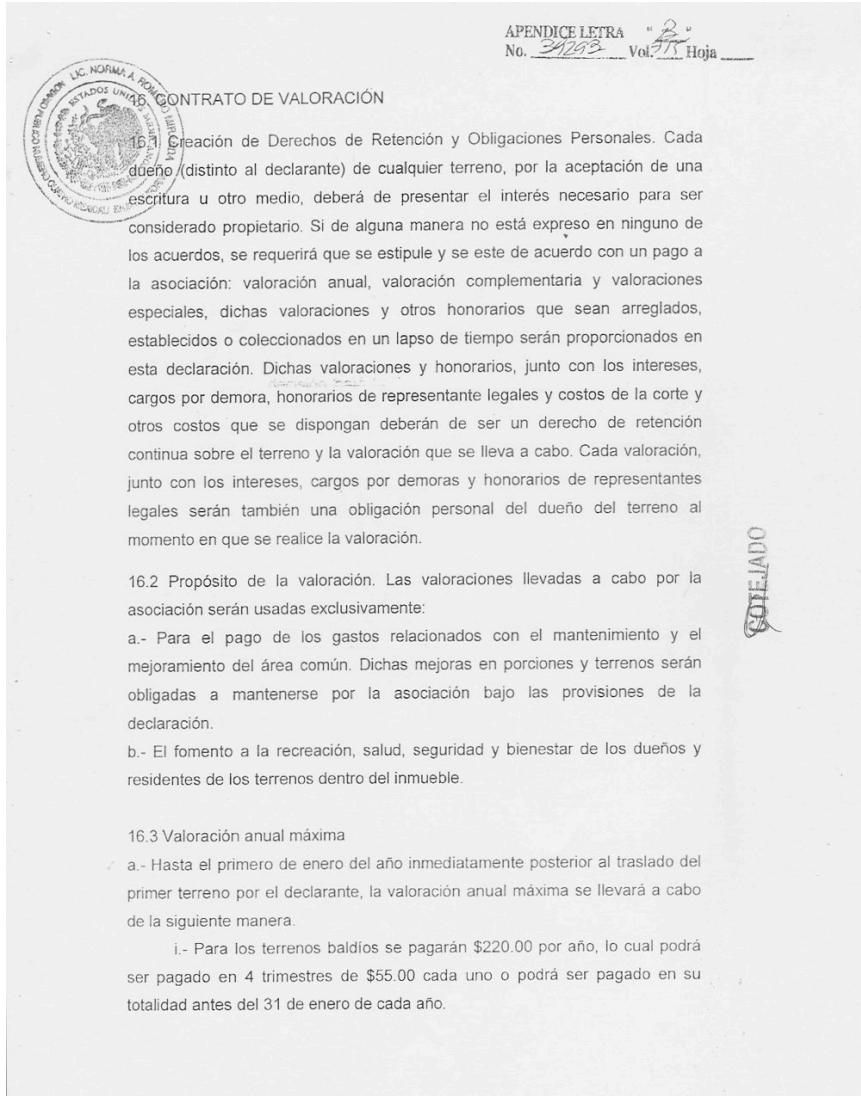

7.9 Alternate Assessment for Declarant. Notwithstanding the provisions of Section 7.7 of this Declaration, until such time as all of the lots have been conveyed by the Declarant to the purchasers thereof, Declarant shall not be obligated to pay any annual, supplemental and/or special assessment for any lot owned by Declarant; provided, however, that Declarant shall pay to the Association, until such time as all of the lots have been conveyed, the difference between the total of assessments owed by all owners other than Declarant for such assessment period and the expenses incurred by the Association during such period for the upkeep, maintenance and improvement of the Common Area. In the case of special assessments levied by the Association for reconstruction costs and/or capital improvements, Declarant shall pay the difference between the total of such special assessments owed by all owners other than Declarant and the total amount of such special assessment owing for the period in question. If, after all of the lots have been sold by Declarant, Declarant acquires title to any lot, Declarant shall be responsible for paying annual, supplemental and/or special assessments on the same basis as any other owner. In the event Declarant owns lots upon which dwelling units have not been constructed, the maximum annual assessment, special assessment, or supplemental assessment charged to Declarant for each such lot shall not exceed twenty-five percent (25%) of the rate charged to owners.

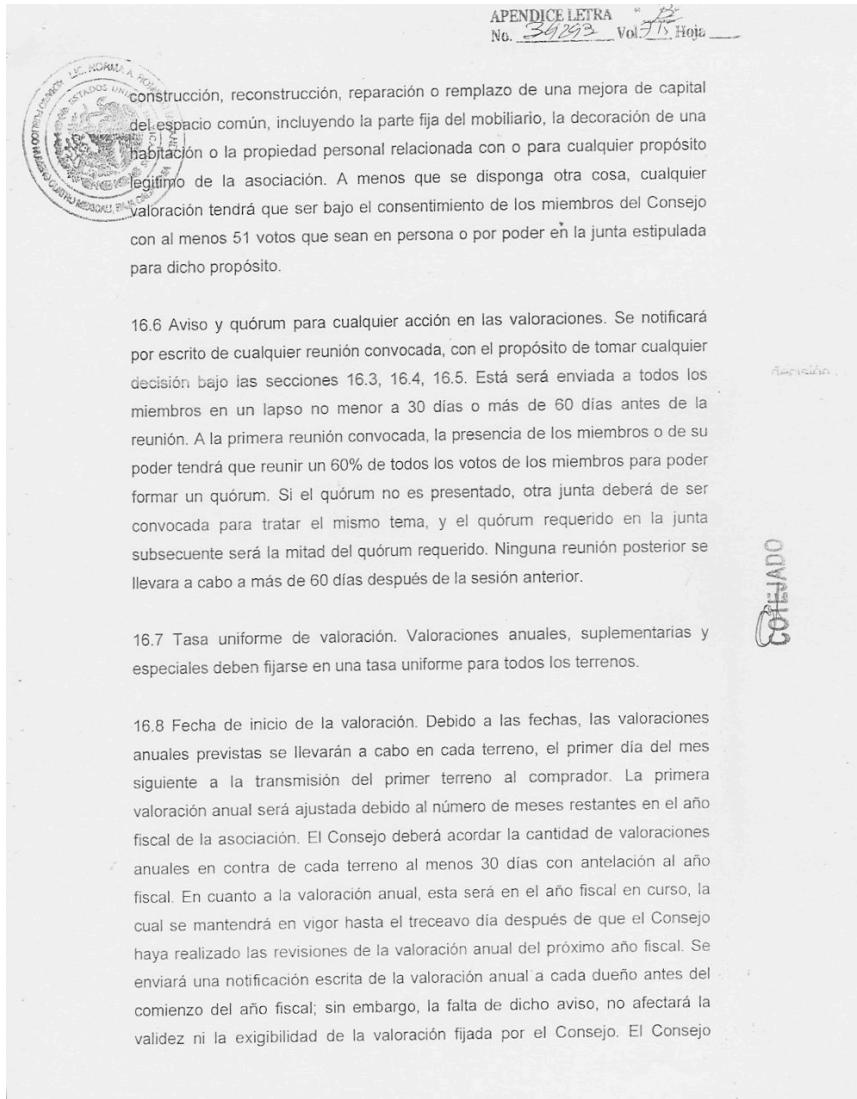

7.10 Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment, or any installment of an assessment, not paid within thirty (30) days after the assessment, or the installment of the assessment, first became due shall be deemed delinquent and shall bear interest from the due date at the rate of 14% per annum. Each owner shall also pay a late charge of Ten Dollars (\$10.00) for each delinquent assessment or installment of an assessment. Any assessment, or any installment of an assessment, which is delinquent shall become a continuing lien on the lot against which such assessment was made. The lien shall be perfected by the recording of a "Notice of Claim of Lien" which shall set forth (a) the name of the delinquent owner as shown on the records of the Association, (b) the legal description, street address and number of the lot against which the claim of lien is made, (c) the amount claimed as of the date of the recording of the notice including interest, collection costs, late charges, lien recording fees and attorneys' fees, and (d) the name and address of the Association. The Association's lien shall have priority over all liens or claims created subsequent to the recording of the Notice of Claim of Lien except for tax liens for real property taxes on the lot, assessments on the lot in favor of any municipal or other governmental body and the liens which are specifically described in Section 7.11 of this Declaration.

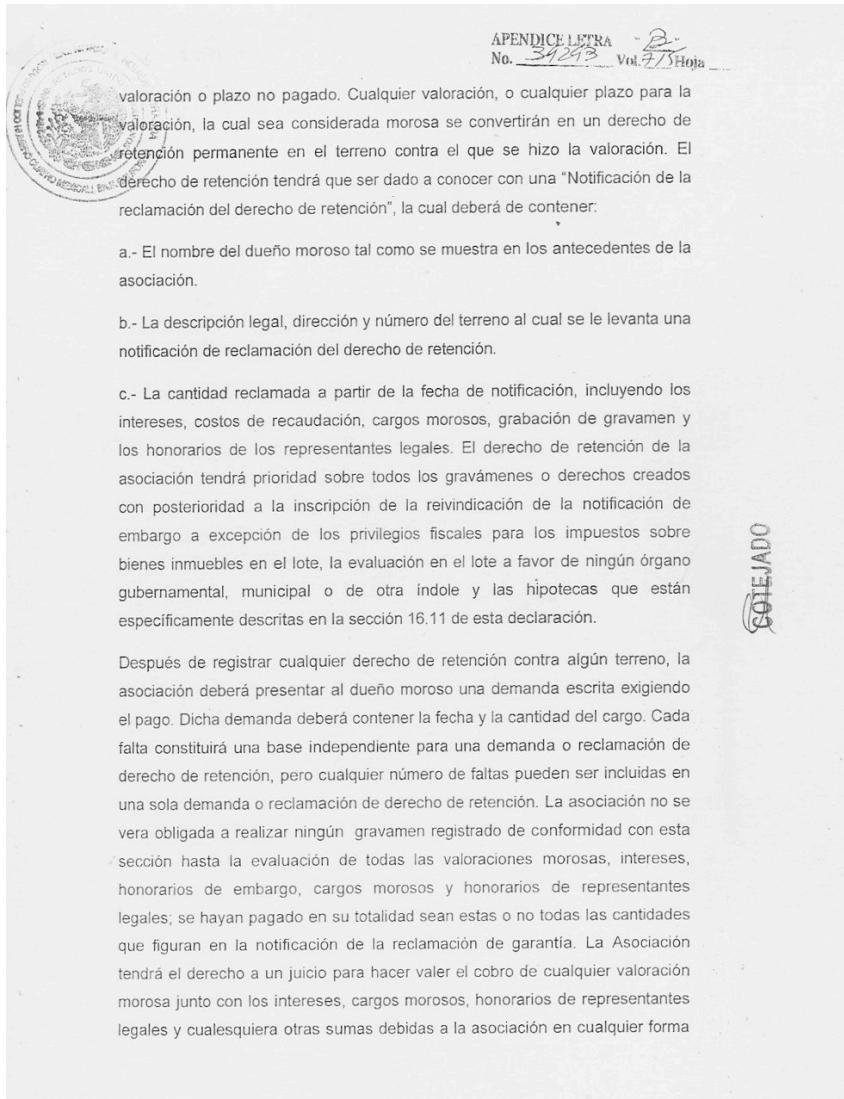

Before recording a lien against any lot, the Association shall present to the defaulting owner a written demand for payment. Said demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand or claim of lien, but any number of defaults may be included within a single demand or claim of lien. If such delinquency is not paid within ten (10) days after delivery of such demand, the Association may proceed with recording a Notice of Claim of Lien against the lot of the defaulting owner. The Association shall not be obligated to release any lien recorded pursuant to this Section until all delinquent assessments, interest, lien fees, late charges and attorneys' fees have been paid in full whether or not all of such amounts are set forth in the Notice of Claim of Lien. The Association shall have the right, at its option, to enforce collection of any delinquent assessments together with interest, late charges, attorneys' fees
